

# Open Day Online

## European Conference in Adapted Physical Activity

22 October 2020

### PRESENTATION

Dear APA friends and colleagues

As probably you know, the Organizing Committee of EUCAPA 2020 and the EUFAPA board took the hard decision for cancelling EUCAPA 2020, to be held at the Miguel Hernández University in Elche (Spain) on 21-23 October.

The uncertainty of the coronavirus pandemic stills impacting many countries, provoking travel restrictions. In this scenario, we would like to invite you for participating in an Open EUCAPA Day, to be held online on 22nd October. You can find below the program for that day, inviting you to join us and celebrate this APA day.

Welcome to EUCAPA 2020 Lite!

Raul Reina and Alba Roldan
